

September is Organic Harvest Month!

Did you know organic fruits and vegetables are better for the environment because they are grown without the use of harmful pesticides and chemicals? At Native Sun, ALL of our produce is 100% certified organic which makes them environmentally-friendly and delicious too!

Find all the organic farming terms hidden horizontally or vertically in the word search below, then bring your completed puzzle to the Customer Service desk at your local Native Sun Natural Foods Market for a FREE pack of Barbara's Animal Cookies!

One prize per person, per month. Ages 12 and under. Offer ends September 30, 2008.
